"Date Conscious"? You'd Better Be

Here is a list of those ration dates, which make calendar-watchers of all local housewives, motorists, or, in fact, anyone who wishes to eat, drive his car, or buy an occasional pair of shoes.

August 16—stamp 14 in War Book One, good for 5 pounds of sugar, became valid; good through October.

September 1—blue stamps U, V, and W became valid and remain valid through October 20.

September 22—No. 8 coupons for A book holders became valid. Good for 4 gallons of gasoline, each.

September 24—brown stamps C in Book Three became valid, good through October 30.

October 2—brown stamps D became valid; good through October 30.

October 10—brown stamps E became valid; good through October 30.

October 17—brown stamps F became valid; good through October 30.

October 20—blue stamps U, V, and W for processed foods valid through this date.

October 30—brown stamps C, D, E, and F expire.

October 31—last date to use stamps Nos. 15 and 16 in Book One, each good for 5 pounds of canned sugar.

October 31—shoe stamp 18 (in War Ration Book One) was to have expired but OPA extends expiration date indefinitely.

October 31—tire inspection deadline for B book holders.

November 1—Book Three "airplane" series, stamp No. 1 becomes valid; good for one pair of shoes.

November 20—blue stamps X, Y, and Z valid through this date.

November 21—No. 8 gasoline coupons good for 4 gallons each through this date.

November 30—deadline for inspection of tires, C book holders.

March 31, 1944—deadline for inspection of tires for A book holders.

NEW TIRE RULINGS
Eligibility for new passenger tires (Grade I) has been restricted on C book drivers with a mileage of 601 miles or more per month. All B drivers and some C book holders will now be eligible only for used and recapped tires. The number of new passenger tires available for rationing in the October quota will be reduced by one-fifth, the OPA recently announced. Quota for farm tractor

and implement tires for October is 59,800 as compared with 73,600 in September.

LEATHER SOLE SHORTAGE
Synthetic rubber and plastic will be used to help relieve this winter's leather shoe sole shortage, according to WPB. The output of rubber soles will be used on rationed shoes and for shoe repair.

GIVE YOUR DOCTOR a BREAK!

YES, of course, Doctors are busy these days; their burdens heavier because so many associates are in the armed forces. But don't conclude that you're "helping" the Doctor by failing to call on him in time of need. A neglected illness may result in many calls—more expense for you. Give your Doctor a break! Call on him promptly at the first sign of illness, then bring his prescription here.

Fall Favorite

SPOTTED FOR AUTUMN POPULARITY is the mustard colored rabbit's wool suit, trimmed with leopard skin revers collar, worn by CBS vocalist-actress Fay ("Blue Ribbon Town") McKenzie. Her off-the-face bonnet repeats the fur motif. Note the decorative plastic bow on Fay's handbag. Gloves, handbag and shoes are of black suede. (From Saks Fifth Avenue, Beverly Hills, Calif.)

BEAN GUN—is U. S. war slang for a rolling field kitchen. When the Army rolls, the Bean Gun rolls or the men can't fight. The Bean Gun is important. It keeps up morale. War Bonds are important too. They keep up morale, and back the attack of our invasion armies.

Do you read the "papers"? ?

Certainly, everyone reads the "papers" for latest news, these days. But does your copy of the papers include local news of your neighbors, your city government, your home defense efforts, announcements by YOUR stores?

Not unless you read The Daly City Record, it doesn't. For San Francisco news is not Daly City news. Tax rates, civilian defense regulations, city government news (even county government news) from San Francisco do not apply in Daly City. You won't find your school news, organizational activities, etc., in San Francisco newspapers.

— EVERY PAY DAY —

I OFTEN wonder how many of us realize the vast quantities of good food we normally throw away each day. Yes, it's literally so: most of us waste enough in a month to feed our families for days!

Wartime conditions make it more necessary than ever, of course, that each of us cut food waste to an absolute minimum. We all know that, in a practical sense, it's impossible to avoid having some leftovers. But they can be used, tastefully! Meats, macaroni products, gelatin and desserts stand up well as leftovers, and many times they can be dressed up in casseroles, soups, and similar dishes, with fresh vegetables added to give new nutritional strength. Tomatoes, green peppers, lemon juice or parsley work wonders with leftover flavors and add good vitamins. And onions add perkiness!

On the whole subject of wasted food, here's a check list that has a practical value:

Here's a Quiz for YOU on Kitchen Economy

Do you cook meats carefully, to avoid shrinkage and to avoid burning the fat? Yes ☐ No ☐

Do you strain the fat from your meat cooking, and use it whenever you can in place of shortening? Yes ☐ No ☐

Do you regularly take used fats to your meat man, so they can be turned into ammunition? Yes ☐ No ☐

Do you use vegetable "cooking water" in soups and sauces? Yes ☐ No ☐

Do you take leftover meats and vegetables and turn them into savory stews, salads, etc.? Yes ☐ No ☐

Do you plan the exact amounts of food you'll need, and buy them accurately? Yes ☐ No ☐

Do you put fresh vegetables away so they'll stay fresh and nutritious? Yes ☐ No ☐

Do you use all of each slice of bread (leftover toast and crusts are fine for crumbs)? Yes ☐ No ☐

When fresh fruits and vegetables must be peeled, do you pare them carefully to save vitamins? Yes ☐ No ☐

Do you avoid serving each member of your family more than he can comfortably eat? Yes ☐ No ☐

Do you make sure, each day, that your garbage pail is not sabotaging your food plan? Yes ☐ No ☐

If your answer is "Yes!" to each of these questions, you're all right! If not, my suggestion would be: start today to look for food waste in your kitchen!

Good News
OUR LOW PRICES

Any news of low prices is good news in these days of high living costs. And our low prices are good news which come as a pleasant surprise to housewives who haven't been regular Westlake customers before.

Low, competitive prices are only one feature of Westlake superiority. Other factors in your favor here include a complete stock of home needs—choice vegetables and fresh fruits, staple and fancy grocery items, quality fresh and cured meats, beverages, drug sundries and school supplies.

Friendly, helpful service that only a neighborly grocer can supply, convenient hours, and handy location are other aids to the wartime housewife, and which are yours without cost. Try WESTLAKE!
